

4:12 Discipleship Project

Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity. (1 Tim 4:12)

The goal of the Bright Lights ministry is discipleship—training young ladies to be mature believers in Christ, faithfully shining their light.

An important and often overlooked part of discipleship is the accountability, mentoring, and edifying fellowship that usually happens best in a one-on-one setting. Since there are so many girls in our local Bright Lights group, it's hard to have as much one-on-one time as we would like—though we do try to accomplish this during the small groups. However, we have seen a need for more of this in our local group and the leaders and I have often prayed that we would be able to meet more individual needs and give personal encouragement to each girl in our group.

For this reason, Bright Lights is organizing a special plan for eight weeks this spring. For those who are interested, we are facilitating “one-on-one” discipleship times. Each younger girl who would like to be part of this will be paired up with an older girl who will commit to meeting with her once a week, praying for her, keeping her accountable, and giving encouragement and practical assignments.

This is completely optional—specifically designed for girls with a serious desire to grow in the Lord and be held accountable, and who also are able to make a weekly commitment for these eight weeks.

Schedule (Eight weeks from February 17th- April 7th)

We will meet 3 times as a whole group on the following Tuesday evenings from 7:00-9:00. These meetings will be located at the new Bright Lights office (945 7th Ave, Marion). Part of the time will be spent with everyone together and part of the time as one-on-one partners.

Tuesday evening, **February 17th**

Tuesday evening, **March 10th**

Tuesday evening, **April 7th**

For each of the other 5 weeks, the girls will be arranging their own get togethers at a time and location that is convenient for them. If possible, we will try to pair girls with others who live near to them.

If you would like to be part of this 4:12 group, please let me know by February 10th, 2009. Please e-mail, call, or mail in the following information:
